Dear Mr. Nisan

Subject: Partners in Protection – Re-validation of Membership
Client identification number of PIP program membership: PIPID11862-12054

Thank you for your participation in the Canada Border Services Agency's (CBSA) Partners in Protection (PIP) program. Please be aware that the PIP revalidation process has been initiated for GN Transport Ltd.

The revalidation of PIP membership is a program requirement that must be completed within four years following the most recent site validation. Our records indicate that your company's most recent site validation occurred on June 8, 2012. Please log on to the Trusted Trader Portal at <http://www.cbsa-asfc.gc.ca/prog/tt-nf/portal-portal-eng.html> to review your Company Profile and Security Profile, and provide any new or updated information by September 16, 2016

Once the CBSA has reviewed your updated information, you will be contacted by a program representative to schedule a site visit. Please contact the PIP program at pip-pep@cbsa-asfc.gc.ca should you require further information.

Sincerely,

Partners in Protection
